

Housing Authority of the County of San Mateo

Landlord Continuity Bonus

Our hope is that you will continue to partner with us!

To show our appreciation for your long-term commitment of supporting our community, we've launched the "**Landlord Continuity Bonus**."

How does it work?

Simply sign a 12 month lease with another participant within 60 days. That's it. By doing so, you'll potentially receive up to one additional month contract rent payment.

The bonus payment will be processed once we have received the signed 12 month lease and Housing Assistance Payments contract.

Without landlords like you, there'd be no housing program.
