Thank you Camille!

I spoke with Neil yesterday, and he confirmed that he will continue to conduct site inspections per the State Water Board's compliance order (see attached). I asked Neil to please continue sending his reports to the County, with the addition of some overall site photos, not just the action items. He agreed to keep me in the loop on any repairs that may be needed onsite if the BMPs fail during this time.

Kristen spoke with Steve Monowitz yesterday, and he has requested that SWCA halt inspections during this new shelter-in-place order.

Please let me know if you have any questions!

Thanks so much,

Hi Kristin and Jesse,

Please see attached SWPPP reports for Highland Estates. Any news from Neil T. as to if inspections will continue on?

Thanks
