Subject: Request for County to prepare supplemental EIR and hold public hearing for Highlands construction project

CAUTION: This email originated from outside of San Mateo County. Unless you recognize the sender's email address and know the content is safe, do not click links, open attachments or reply.

Dear Ms. Leung,

We are Javier and Erica Szwarcberg. We are residents of San Mateo Highlands at address 2173 Bunker Hill Drive. Regarding the San Mateo County's notification letter dated May 3 with subject "Consideration of a proposed Minor Modification to an approved Resource Management (RM) Permit (PLN2006-00357) for the development of Lots 5, 6, 7, and 8 (BLD2016-00161 through BLD2016-00164) in the San Mateo Highlands Area", because of the significant impact this construction project will have to the hillside open space along Ticonderoga Drive, which includes a possible increased risk of a landslide in the area, and the significant changes to the originally proposed earth grading activity, we request that the County prepare a supplemental environmental impact report document, and hold a public community hearing about the construction project.

Thank you for hearing our voices,
Erica and Javier Szwarcberg

2173 Bunker Hill Drive
San Mateo CA 94402
